## DETAILED ACTION

The following is an examiner's statement of reasons for allowance: The prior art made of record fails to disclose or suggest a battery charger having at least, *inter alia*, a master controller interfaces with the base modules to regulate power delivered by each module to charge the battery wherein at least two modules are connected in parallel to charge the same battery. The method discloses at least, *inter alia*, closing the parallel relay of the lowest discharged battery module, closing parallel relays of modules with no battery and configuring closed relays for parallel operation and setting up remaining modules as stand-alone chargers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to the Examiner at the below-listed number on every Tuesday, Thursday and Saturday.
